Capital Campaign

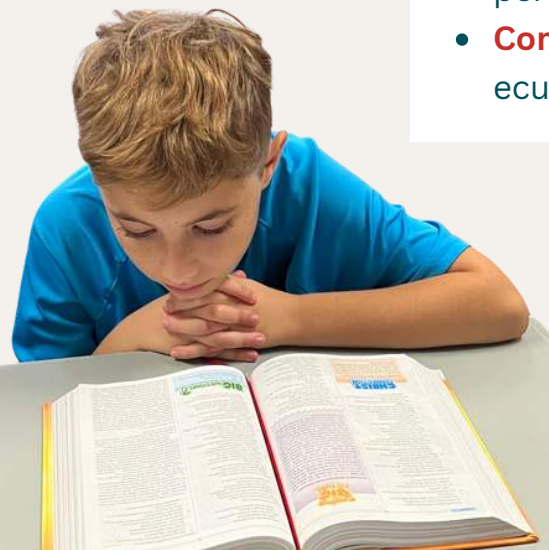

The NEED

Bryan Advocates for Christian Education (BACE) exists to support, promote, and expand Christian education in the Bryan community by partnering with organizations, programs, and activities that adhere to traditional Biblical principles and teachings. As LifeWise Academy continues to grow and expand its educational outreach, it faces critical challenges in providing students with the space and resources needed to meet the explosive growth of the program. BACE is proposing a building project to address these challenges so that LifeWise Academy can continue to expand its capacity and enhance its programs.

Key challenges include:

- **Classroom Space:** With an increasing student enrollment, current classrooms are squeezed for space which will limit the future expansion and participation in the program for Middle School and High School students.
- **Permanence:** While the existing building sponsor of LifeWise Academy has been charitable, gracious, and accommodating, having a permanent home outside of a church building will help overcome the perception of denominational ownership and create a space LifeWise can call its own.
- **Community Engagement:** With the new building, BACE will create space for community events, ecumenical gatherings, and other partnerships that could enhance student learning and engagement.

*Reaching the **youth** in our community
through the teaching of God's Word.*

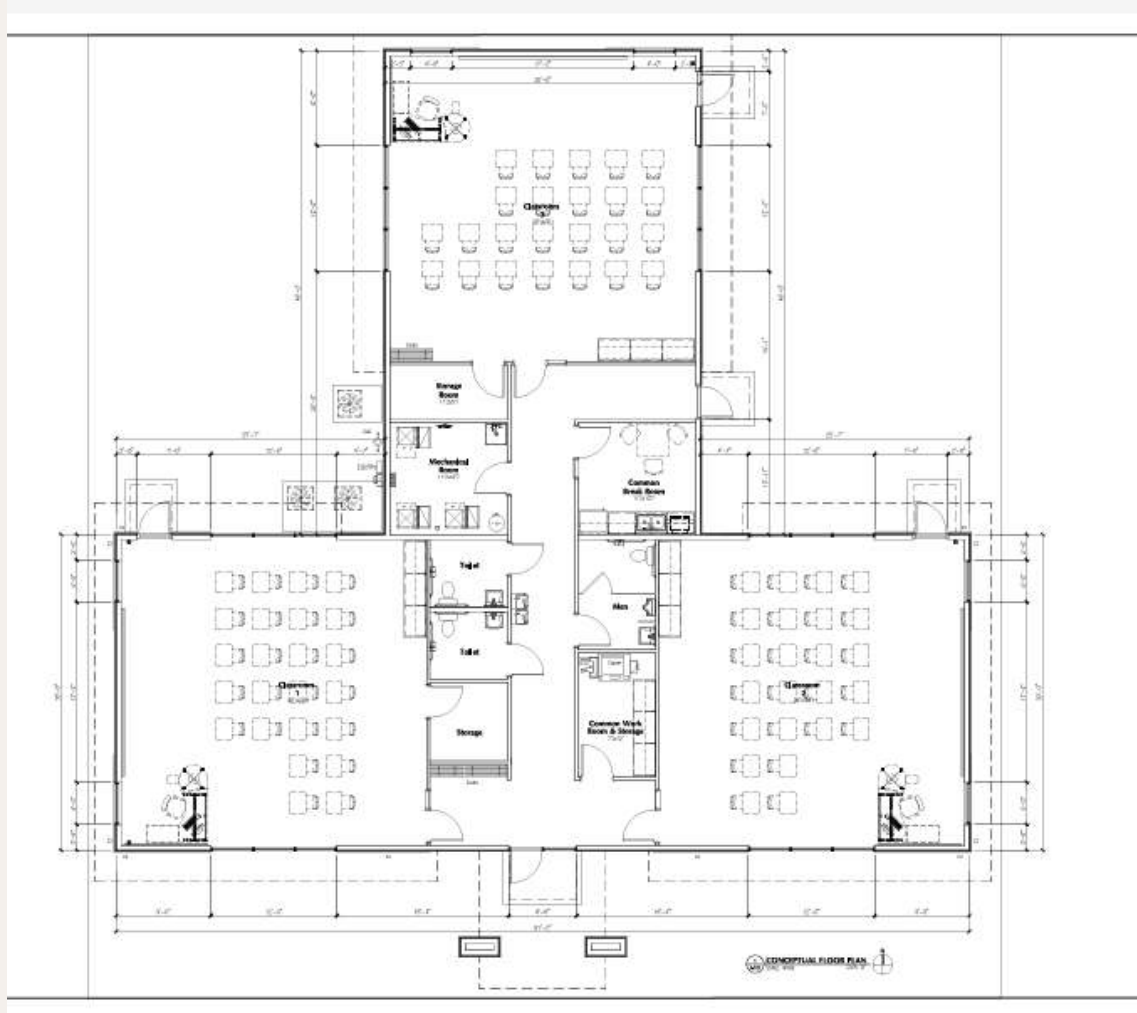

The SOLUTION

A New Building

The proposed building project will address these critical needs by creating a modern facility that supports Christian education, fosters community engagement, and offers flexibility for future growth.

Property Location: Center Street
across from Wesley Church

Key Features of the New Facility:

- **Expanded Classroom Spaces:** New, purpose-built classrooms designed to accommodate large classroom learning.
- **Community Space:** Three multipurpose spaces for events and gatherings that will allow for community involvement.

The SOLUTION

The COST

Financial Overview

The estimated cost of the building project is **\$1.7 million**.

This will cover:

- Construction and renovation costs
- Architectural and engineering services
- Technology and equipment
- Furniture and fixtures
- Landscaping and exterior work
- Driveway and parking
- Transportation garage

We are seeking support from a variety of sources, including grants, donations from community members, and corporate sponsorships. We are confident that with the support of our community, this vision can become a reality.

*"So is my word that goes out from my mouth: It will not return to me empty, but will **accomplish** what I desire and achieve the **purpose** for which I sent it." -Isaiah 55:11*

You Are Needed

Lifewise Academy is transforming lives of students in our community each and every day. To continue to do so, a learning environment that matches the caliber of its mission is needed. This building project represents the future of our students and our community.

We invite you to join us in making this vision a reality. Your investment will have a direct and lasting impact on the lives of countless students and will help to shape the future of Christian-based education in our community for years to come.

This new facility will be more than just a building. It will be a place where students find inspiration, where community members come together, and where the future of LifeWise Academy is nurtured. With your help, we can ensure Christian-based education remains foundational to our community for generations to come.

“LifeWise has shown me what it is like to follow Jesus. Having LifeWise to learn about Jesus and God is awesome as [it] helps me have a better day at school and helps me with depression. . . it makes me want to read the Bible. Thanks Mrs. Summer for teaching me and I promise to read the Bible and follow Jesus’ words.”
